

Workgroup Document Solution Center

The stylish new DOCUJET 3016/3216 Series Multifunction Copier brings the power of professional document management to your small office or workgroup. The outstanding, All-in-One, true multitasking DOCUJET 3016/3216 Series can enhance overall productivity by improving the communication capabilities of your group.

Compact, versatile, and powerful, the DOCUJET 3016/3216 Series combines the functions of a digital copier, flat bed scanner, laser printer, and internet fax machine into one space-saving device. Exceptionally clear copies and printouts are produced with the DOCUJET 3016/3216's high-performance, high-resolution 600 dpi digital laser printing engine. The DOCUJET 3016/3216 Series offers heavy duty cycle operation and easily handles the document management demands of most small office work environments.

Fast Digital Copies

The DOCUJET 3016/3216 Series provides A4-size copies at speeds of up to 16 cpm and one-to-one copy speed (via ADF) up to 12 cpm. Copy modes include Text/Photo as well as a Zoom range from 50% to -200%. An initial warm up time of less than 25 seconds and a quick first copy time of less than 13 seconds saves valuable time and enhances office productivity. The optional high speed Auto Document Feeder (ADF) holds up to 50 pages.

Rapid Network Color Scans

The DOCUJET 3016/3216 Series lets users quickly scan documents at 8 seconds per page (300dpi, B&W, ADF). The high speed color scanner converts paper documents to PDF files providing enhanced network document distribution through features such as Scan-to-Email and Scan-to-FTP.

Heavy Duty Network Printing

The DOCUJET 3016/3216 Series offers express printing at 16 pages-per-minute with 600 x 600 dpi high-resolution print quality. Long-lasting toner cartridge provides 6,000 pages yield life. Standard paper capacity is 250 sheets up to a maximum 750 sheets. Options include a PCL6 printing controller card and 10/100 BaseTX Ethernet card for network printing.

Super G3 Fax

The optional fax features of the DOCUJET 3016/3216 Series include Super G3 Fax modem with high speed 33.6k bps transmission, standard 3.5 MB page memory (224 pages), and an optional 32MB which provides maximum up to 1,024 pages paperless receipt. The 3016F and 3216F models feature standard fax capability as well as a full-function fax-copy control panel.

True Multitasking

True multitasking lets the members of your workgroup utilize the multiple functions of the DOCUJET 3016/3216 Series simultaneously. The DOCUJET 3016/3216 Series lets one member of your group print while another is scanning, or sending and receiving faxes. The multitasking capability of the DOCUJET 3016/3216 Series improves overall office productivity while saving valuable office space.
